Re: *Explain the difference*

Hanoi, August 11, 2025

**To: - State Securities Commission  
- Hanoi Stock Exchange**

ONE Technologies Corporation (ONE CORP) would like to send our most respectful greetings to your agency.

Our company would like to explain the difference between the 2025 mid-year audit report and the 2025 mid-year financial report prepared by the company.

Data according to the report:

Unit: VND

ITEMS	Audited interim financial statements for 2025	Interim financial report prepared by the company in 2025	Difference	
Sales revenue	103.380.555.557	103.380.555.557	0	0
Profit after tax	474.929.235	635.815.185	160.885.950	-25,3%

The 2025 audited profit decreased by VND 160,885,950, equivalent to a decrease of 25.3% compared to the 2025 financial report prepared by the company due to the following reasons:

- ✓ Additional provision for unrealized cost of goods sold corresponding to realized revenue in the period: VND 159,735,950,
- ✓ Additional provision for social insurance premiums: VND 1,150,000,

The above is an explanation of the main factors affecting the profit difference in the 2025 mid-year audit report compared to the 2025 mid-year financial report prepared by the company

The company respectfully reports to the State Securities Commission, Hanoi Stock Exchange and all shareholders of the Company  
Sincerely thank you!
