Re: Approval of the Plan for the private placement of shares to increase the charter capital of the Company

Respectfully to: Valued Shareholders of the ONE Technologies Corporation

Pursuant to:

- *Law on Enterprises No. 59/2020/QH14 dated 17 June 2020 of the National Assembly of the Socialist Republic of Vietnam, and its amending and supplementing documents;*
- *Law on Securities No. 54/2019/QH14 dated 26 November 2019 of the National Assembly of the Socialist Republic of Vietnam, as amended and supplemented by Law No. 56/2024/QH15 dated 29 November 2024;*
- *Decree No. 155/2020/ND-CP dated 31 December 2020 of the Government detailing the implementation of a number of articles of the Law on Securities, as amended and supplemented by Decree No. 245/2025/ND-CP dated 11 September 2025;*
- *Resolution of the 2026 Annual General Meeting of Shareholders No. 01/2026/NQ-ĐHĐCĐ dated 30 June 2026;*
- *The current Charter of ONE Technologies Corporation (the "Company" or "ONE").*

Based on the policy already approved by the General Meeting of Shareholders ("GMS") on increasing the Company's charter capital in order to strengthen its financial capacity, expand its scale of operations into sectors with growth potential, and supplement capital for the Company's business operations, the Board of Directors ("BOD") respectfully submits to the GMS for consideration and approval the Plan for the private placement of shares to increase the Company's charter capital with the following contents:

I. Plan for the private placement of shares

Name of the issuer	:	ONE Technologies Corporation
Name of the issued shares	:	ONE Technologies Corporation' stocks
Type of share	:	Common share
Ticker	:	ONE
Par value	:	VND 10.000/share

Method of Offering	:	Private placement of shares to Professional Securities Investors.
Purpose of Offering	:	To strengthen financial capacity, expand the scale of operations into sectors with growth potential, and supplement capital for the Company's business operations.
Current Charter Capital	:	**VND 79.603.100.000**
Number of outstanding shares	:	7.893.658 shares
Of which:		
- *Listed Shares*	:	*7.960.310 shares*
- *Treasury Shares*	:	*66.652 shares*
Number of shares offered (expected)	:	40.500.000 shares *(In words: Forty million five hundred thousand shares)*
Total offering value at par value	:	VND 405.000.000.000 *(In words: Four hundred and five billion Vietnamese Dong)*
Charter capital after the Offering (estimated)	:	**VND 484.603.100.000**
Tentative offering price	:	According to the reviewed interim financial statements for the accounting period from 01 January 2026 to 30 June 2026, the Company's book value as at 30 June 2026 was VND 14.596 per share. Currently, the Company's shares are being traded on HNX. The average closing price of ONE shares over the 30 most recent trading sessions (from 17th August 2026 to 30th September 2026) was **VND 9.380 per share**. Based on the book value and market price of ONE shares, and in order to ensure the success of the offering, the BOD of the Company respectfully submits to the GMS for approval an offering price for the private placement of shares to Investors of **VND 10,000 per share**.
Offered investors		Professional securities investors
Investor selection criteria and	:	- Having financial capacity and the ability to support

List of offered investors		the Company's development. - Being domestic, foreign institutional and individual investors satisfying the conditions of **Professional Securities Investors** under the Law on Securities and Decree No. 155/2020/ND-CP (as amended and supplemented from time to time). - Priority is given to Investors with experience in the sectors into which the Company is orienting to expand its business operations. On the basis of the above criteria, the BOD of the Company respectfully submits to the GMS of the Company for approval the List of Investors expected to be offered shares and the number of shares offered to each investor in Appendix 1 of this Proposal. If the Investors in Appendix 1 of this Proposal refuse to purchase part or all of the number of shares expected to be offered, the GMS authorizes the BOD of the Company to proactively seek and select professional securities investors eligible to participate in the Company's private placement of shares, determine the list of such investors, and decide on the number of shares to be allocated to each investor.
Plan for handling unsubcribed shares		The GMS authorizes the BOD to decide on the allocation/distribution of any unsubscribed shares (if any) to other professional securities investors at the offering price of VND 10,000 per share. If there are no other professional securities investors interested in participating in the Company's private placement of shares, the BOD shall report the results of the offering and carry out the procedures for increasing the Company's charter capital according to the actual number of shares distributed.
Method of distribution	:	Direct distribution to Professional Securities Investor(s)
Transfer restrictions	:	The transfer of Shares shall be restricted for a minimum period of **01 year**, except for transfer between professional securities investors, or transfer executed pursuant to an effective court judgment or decision, an arbitral award, or inheritance in

accordance with the law.

Expected timing of the offering	:	Expected in 2026 – 2027, after the State Securities Commission has given written approval confirming the receipt of a complete dossier for registration of the Company's private placement of shares. The GMS authorizes the BOD to consider and decide the timing of the offering in accordance with actual circumstances.
Supplementary securities registration and change of listing registration	:	All shares successfully offered under the approved plan shall be registered as supplementary securities at the Vietnam Securities Depository and Clearing Corporation (VSDC) and registered for supplementary listing at the Stock Exchange where the Company's shares are registered for trading, immediately after the end of the offering in accordance with prevailing law. The GMS authorizes the BOD of the Company to carry out the procedures relating to supplementary securities registration and supplementary listing registration in accordance with prevailing law.
Ensuring that the share offering complies with regulations on foreign ownership limits	:	The GMS authorizes the BOD of the Company to consider and decide the plan for ensuring the foreign ownership ratio in accordance with law and the Company's Charter.

II. Plan for ultilization of proceeds from the offering

The proceeds from the offering (expected to be VND 405.000.000.000) will be used by the Company as follows:

No.	Expected purpose of use	Expected amount (VND)	Expected time
1	Payment of the purchase price for 90% of the shares of Mien Bac Electrical Services Joint Stock Company ("EMB") to the existing shareholders of EMB.	405.000.000.000	During 2026 - 2027
	Total	**405.000.000.000**	

Note: Details of the Plan for purchasing shares of EMB are set out in Proposal No. 03/2026/TTr-HĐQT dated 23/10/2026 of the Board of Directors of the Company.

Plan to cover the shortfall in the capital expected to be raised from the offering: If the proceeds from the offering do not reach the expected value, the Company will mobilize other

additional sources of capital to pay the EMB share purchase price in accordance with law and the Company's Charter. During the period in which the proceeds from the offering have not been used or have not been fully used (due to payment of the share purchase price in installments), the Company may use the proceeds from the offering to purchase certificates of deposit or to deposit funds at credit institutions, in accordance with law and the Company's Charter.

During implementation, the GMS assigns/authorizes the BOD, based on the Company's actual circumstances, to formulate and decide on the detailed plan for the use of proceeds; and to flexibly and efficiently adjust the aforementioned plan for the use of proceeds to maximize the interests of the Company and its shareholders; and to report to the nearest upcoming GMS on the adjustments/changes relating to this plan for the use of proceeds.

III. Implementation

The BOD of the Company respectfully submits to the GMS for consideration and approval:

1. The Plan for the private placement of shares to increase charter capital and the Plan for the use of the proceeds from the offering, as set out in Sections I and II.
